

PRADEEP KUMAR

SENIOR TEAM LEADER - TECHNOLOGY

New Delhi, India • +91 -9711595609 • pradeepbhardwaj.it@gmail.com •
<https://www.linkedin.com/in/pradeep-kumar-9ba58535/>

SUMMARY

Senior Team Leader with expertise spanning a range of programming languages and tools, including PHP with a focus on the Laravel Framework, Python, and MySQL, which enables me to develop robust web applications and manage databases effectively. Ventured into NoSQL databases, having worked with MongoDB, which adds versatility to my data management capabilities. Familiar with front-end technologies like JQuery with a valuable experience in cloud computing using AWS thereby hosting and managing applications in the cloud.
